

Details of our Corporate Membership

German Association - Deutsches Haus (GA) is a platform for the German and German-speaking community in Singapore. We offer an extensive program like cultural and nature tours, language and sports lessons as well as various special events. Our Club house at 61A Toh Tuck Road is a place for social contacts, networking and exchange of information at joint activities and we maintain a large network that assists German-speaking expatriates and their families to adapt to Singapore and to feel like home.

GA is also publisher of the well known "IMPULSE - The magazine for the German-speaking community in Singapore", with a monthly circulation of 3.500 copies and 11 issues per year.

As a Corporate Member your company will be made visible and actively connected to the German-speaking expatriate community as well as your supporting our efforts in facilitating the adjustment of family-members and partners to the new environment.

We offer Basic and Premium memberships:
